

Financial Peace for the EntreLeader

By: Dave Ramsey

Short Description of the Presentation:

Dave Ramsey has taught hundreds of thousands of individuals and couples how to properly handle money through his thirteen week course called *Financial Peace University*. Well guess what? Those same principles that apply to individuals apply to businesses as well. This presentation will walk our listeners through the process of applying God's financial principles to businesses. This presentation will not only provide some very sound financial principles, it will also be very entertaining!

- Why businesses can, and should, create budgets
- Separating personal and business expenses, including taxes
- Borrowing money increases risk and magnifies mistakes!
- Eight (8) myths about borrowing money
- Equipment (rent, buy used, outsource, etc.)
- Strategies for getting out of debt
- The tax deduction myth
- Savings (retained earnings) and what to invest in
- Giving and tithing
