Business Advisory Reports

Get a clear picture of your business's financial health.

We analyze key financial figures of your business & provide you with a plain language written report which includes: charts, graphs & a star rating system to measure your businesses' financial health. You'll even see just how your financial situation compares to other businesses in your industry for a better perspective. Our Business Advisory Reports provide the perfect foundation for a business performance counseling session to help your business grow & be profitable.

Here's a sample of what we address:

- **Liquidity**—can you meet your obligations as they come due? Do you annually budget for expected cash requirements?
- **Gross Profit & Net Profit**—are these trends favorable? How do they compare to your peers in the industry?
- **Sales**—are they growing & are you satisfied with their levels? Have you established sales goals for next year?
- **Assets**—are they being used effectively to generate a strong return on your investment?

We provide the following services:

- \$ Accounting
- \$ Tax Planning
- \$ F/S Analysis/Benchmarking
- \$ Retirement/Succession
- \$ Business Systems Development
- \$ One-on-One Business Coaching
- \$ Seminars & Presentations

Special Offer :

Basic Business Advisory Report ONLY

\$495 (a \$695 value) Find out how you compare to other businesses in the industry!

Call or e-mail for details.

Our objective: To help you realize your financial goals & make your business more profitable while simplifying your workload.

In an effort to continually provide you with more valuable services, we've taken the initiative to present your financial statements in a narrative, plain-language report which highlights the areas of your business which are the strongest & those which may need improvement, while outlining an action plan for reaching your financial goals.
