

Grandy & Associates

# Gary Hazelberg

Trainer

## Background

Gary Hazelberg has over 40 years working in the trades, 30 of those in years in HVAC. He is dedicated to making sure students acquire the skills they need to be successful in their jobs. He has conducted training in the manufacturing environment as well as in the business environment. He is passionate about using his experiences to help people realize that it is possible to be happy and successful in their work and personal lives.

## Accomplishments

Before joining Grandy & Associates as a trainer, Gary installed, serviced and sold HVAC systems at the dealer level. He has also worked as a territory manager and sales manager at the distributor level. He brings that background to his training.
